DROP YOUR TRAILER WITH SLT FAST TRACK

Isuzu Truck + Debris Dumper™ + SLT Body + Loading Ramps

What is the SLT Fast Track?

This is the most affordable all in one truck, truck body, Debris Dumper™, loading ramp, and warehouse on wheels package for the professional lawn and landscaping contractor.

SLT specializes in producing unique trucks that mold to the needs and wants of our clients. An SLT truck is like no other when it comes to reliability, dependability and engineering. With an SLT truck, your crews become more organized, more effective and more professional than you have ever imagined.

SLT trucks combine features that are innovative and easy to use. Many of the features found on SLT trucks are unique to the company and cannot be found elsewhere. SLT trucks can be customized to any specification. Our unique features include tool boxes, shelving, inventory system, tool storage system, hydra-ramp and security system, side dumper and maximizer door.

(On Page 2 you'll find 3 popular package options to choose from.)
