

Super Lawn Truck Scholarship Program

Description

Super Lawn Trucks encourages team members to invest in their education. To help make paying for advanced education more affordable, we created the Super Lawn Truck scholarship program.

Scholarship funds must be used to pay tuition for education at an accredited two year or four year college, university or technical college. Enrollment in online or campus based learning are approved for scholarships. Scholarship funds can be used to pay for the major or subject matter of choice.

Eligibility

Scholarship funds are available to any team member at Super Lawn Trucks. You must be employed at Super Lawn Trucks or Tony Bass Consulting at the time of application and at the time of award of the scholarship.

Scholarship Amounts

Team members can apply for scholarships and receive up to \$4000 per year to pay for their post-secondary education. Scholarship amounts will be based on the annual scholarship budget, the number of hours the applicant has worked during the scholarship period, and the quality of the application submitted.

How to apply

Team members can apply for scholarships at anytime. Awards are made two times per year.

Applications received between December 1 and June 30 are eligible for award in July.
Applications received between July 1 and November 30 are eligible for award in December.

Interested students are required to complete an application. The application will be submitted in the form of an essay that explains the following:
